SKILLS

Technical Skills

- Programming Languages: Java, Python, PHP, C++, C#, SQL, R.
- Web Development: HTML, CSS, JavaScript, Bootstrap, jQuery, REST APIs, JSON.
- Mobile Development: Android Studio, Java, SQLite.
- Database & ORM: MySQL, SQL Server, SSMS, Entity Framework Core, Database Design.
- DevOps & Cloud: Docker, Docker Compose, Cloud Computing.
- Tools & IDEs: GitHub, VS Code, Visual Studio, NetBeans, RStudio, WAMP.
- Software Concepts: OOP, Data Structures, SDLC, Gantt Charts.

Soft Skills

- Problem solving
- Teamwork
- Time management
- Willingness to learn
- Good communication

LANGUAGES

- English
- Sinhala

PROJECTS

Sri Kurundu Exporters - Cinnamon Export Management System (PHP / MySQL / CSS / Bootstrap / JavaScript)

- Collaborated on a B2B cinnamon export platform with buyer, supplier, and admin dashboards, online bidding, QR-based batch verification, sample requests, multi-currency payments, invoice/certificate generation, notifications, and shipment tracking.
- GitHub: <https://github.com/Prabath397/Cinnamon-Export-Management-System.git>

Cozy Comfort SOC System (ASP.NET Core / C# / SQL Server / PHP)

- Built a service-oriented order and inventory platform with REST APIs, role-based dashboards, stock validation, request escalation, notifications and production lead-time management.
- Used ASP.NET Core Web API, Entity Framework Core, SQL Server, PHP and JavaScript.
- GitHub: <https://github.com/Prabath397/Cozy-Comfort-SOC-System-ASP.NET-Core.git>

EcoStay Retreat – Eco-Friendly Resort Mobile App (Android / Java / SQLite)

- Developed a mobile booking application with guest/admin roles, room/activity booking, availability checking, notifications, and admin management features.
- GitHub: <https://github.com/Prabath397/EcoStay-Retreat-Android-App>

Dockerized Student Task Manager (Flask / MySQL / Docker)

- Built a task management web application with user login, task CRUD operations, MySQL storage, and Docker Compose multi-container setup.
- GitHub: <https://github.com/Prabath397/Dockerized-Student-Task-Manager>

SkillPro Institute Web Application (PHP / MySQL / HTML / CSS / JavaScript)

- Developed an institute web application with course-related features, database integration, and responsive web interface.
- GitHub: <https://github.com/Prabath397/SkillPro-Institute-Web-App>

CERTIFICATIONS

- Cloud Computing: Understanding Core Concepts
[LinkedIn Learning](#) | Completed: June 2026
- Cybersecurity with Cloud Computing
[LinkedIn Learning](#) | Completed: June 2026

ACHIEVEMENTS

- Achieved an A pass in the General Information Technology (GIT) Examination, 2023.
- A senior Prefect in the year 2017/2018.
- Subject Award for Mathematics at the Annual Awards Day in the year 2018 and 2019.
